For payments of eligible medical expenses, notify Seven Corners of pending treatments and we can refer you to approved healthcare providers worldwide. ## options

### continuing coverage

For those who are intending longer international trips, an option is available to you. If you choose this option on the application and enroll for at least three (3) months of coverage, a notice will be sent to your address of correspondence, allowing you to purchase an additional period of coverage (minimum of one (1) month, maximum of twelve (12) months). If you purchase at least three (3) months of coverage, Seven Corners will continue to send notices to your address of correspondence. If you choose to purchase less than three months of coverage, Seven Corners will assume that your international trip is complete and will not send any further notices.

While a new period of coverage will be issued, your original effective date will be used with regards to calculating your deductible and coinsurance (for up to a total of twelve (12) months, then both will begin again), as well as determining any Pre-existing conditions.

The maximum period of time Seven Corners will offer this feature is three years (one year for persons age 65 and over). It is important to note that rates and benefits may change for each subsequent period of coverage. A \$5.00 Administrative Fee will be included on each notice. This option is not available if you allow coverage to expire prior to reapplying. If this happens, an entirely new program must be purchased (*Pre-existing condition begins again*).

Continuing Coverage is available in periods as short as five (5) days at a time when purchased using Seven Corners' online system.
